MEMORANDUM FOR DISTRIBUTION

Subj: 2005 BANK AND CREDIT UNION RECOGNITION

Annually, the Office of the Assistant Secretary of the Navy (Financial Management and Comptroller) (OASN(FM&C)) recognizes the on-base financial institutions (bank and credit union) that provided exceptional service to military and civilian personnel during the preceding calendar year. This recognition is based on recommendations submitted by base commanders. The "Community Bank" overseas is not eligible for this award.

Commands may nominate on-base financial institutions by providing justification clearly illustrating why they should receive this honor. Recommendations should provide specific examples of actions taken by the on-base financial institutions during calendar year 2005. The following criteria will be used to evaluate nominations:

- a. Service above and beyond normal requirements
- b. Special services provided at command request
- c. Financial education, contributions made to support the Navy and Marine Corps Saves programs, and any financial counseling services
- d. Actions taken to combat predatory lending practices
- e. Community support
- f. Professional attitude/financial leadership
- g. Demonstrate current operating agreement exists (provide a copy with the nomination package)
- h. Contact information of the Bank/Credit Union Liaison Officer

Recommendations from your commands/activities should be received by OASN(FM&C) not later than 17 April 06. Due to periodic delays in the mail, nominations should be submitted by electronic mail whenever possible, or by facsimile. Widest
