### Best of Palm Beach City 90 minute Guided Tour

Cost: **\$140 PP**, includes bus transportation, tour guide and lunch at Pizza Al Fresco

Founded 15 years ago by longtime resident Leslie Diver, Island Living Tours educate and entertain. A real insider, Ms. Diver's tours provide an up-close-and-personal view of Palm Beach, highlighting its colorful history, world-class architecture, and the skinny on residents – famous and infamous. In a town that boasts incomparable allure and draws denizens that include rocker Rod Stewart, author James Patterson and President No. 45, Donald Trump, there are plenty of stories to share and mythical mansions to show!

Your “Best of Palm Beach” tour is 90 minutes of all the “wow” moments in Palm Beach. Including: Rod Stewart; James Patterson; Yoko Ono’s past home; “The Ham Sandwich House” with its own segment of City Confidential; the house that at one time was *the* most expensive home in the United States; James Clark, founder of Netscape’s home – now on the market for 135 million; Whitehall; Mar-a-Lago; and the beautiful “El Streets” – the first 3 paved streets in Palm Beach with homes built in the late 20’s – eye candy for those who love fabulous architecture.

Like a mini master class on Palm Beach, an Island Living Tour is a unique and special way to learn about the island resort which has become one of the world’s most glamorous settings that many call *Paradise*.
