

# LEGAL DOCUMENTS

## WILL, POWERS OF ATTORNEY, END-OF-LIFE CARE & DIRECTIVES

---

As a servicemember, free legal assistance is available to you at your installation. A Last Will and Testament is a good place to start. Powers of Attorney may be used to appoint an agent when a servicemember will not physically be present to take care of financial matters. You should keep current copies of all these documents in a safe place. Medical directives, funeral plans, and end-of-life plans can be stored here as well.

### File Here:

- Last Will & Testament
- Trust
- Powers of Attorney
- Guardianship paperwork
- Adoption paperwork
- Divorce decree
- Medical directive
- Funeral plans
- \_\_\_\_\_
- \_\_\_\_\_

### You should also know...

The legal documents in your possession will change over time. Items like your Last Will & Testament need to be updated as your family changes. Check out the online resources for more information and visit your installation legal office.

*Hint: Your local military treatment facility can keep your medical directive on file for you.*
